I give my consent for my child to participate in afterschool programming. I grant permission to TVLS staff to treat my child and provide first aid. I understand that in the result of an accident and medical services are needed, I give permission for the school to have my child transported to an emergency care facility. I understand that my child must exhibit good behavior while attending the program (both at school and on the bus) and any discipline issues will result in my child being removed from their after school programs. In some instances, classes may need to be cancelled or rescheduled. Changes to programs will be on the announcements. It is the student's responsibility to inform their parents of changes.
