

Fresh Cheese Curds

Fresh Cheese Curd is cheese that has not been aged. Easy-to-love, nutritious, bite-sized treats. This artisan cheese is scrumptious and addictive. To enhance the natural squeak, pop the container in the microwave for 10 seconds. Curds are great for snacking and in salads.

Flavors: *Plain, dill, chipotle, ranch, horseradish or garlic.*

Blue Jacket's Special \$24

Share our customer's favorites: a wedge of aged Hull's Trace, two packages of Fresh Cheddar Curds and a package of Lemon Jewel Quark.

Since 2008, we have been making fresh artisan cheese from locally-sourced milk.

We use small-scale equipment and close attention to detail to transform wholesome cow and goat milk into great-tasting, high quality cheese that will delight your taste buds.
