

TV K-4 Cafeteria News

Welcome back! We are looking forward to a fantastic year! Here are some cafeteria highlights:

- *Prices:** K-12 Breakfast - \$1.50 (includes milk)
 - Reduced Breakfast - Free (includes milk)
 - Adult Breakfast - \$2.00 (includes milk)
- K-4 Lunch - \$2.50 (includes milk)
- 5-12 Lunch - \$2.75 (includes milk)
- Reduced Lunch K-12 - \$.40 (includes milk)
- Adult Lunch \$3.00 (includes choice of milk or bottled water)
- Extra Main w/ Tray - \$1.00
- Milk - \$.50 Bottled Water - \$1.00

***Guests:** Parents are invited to eat lunch in the cafeteria with their child anytime. Adults can purchase a tray lunch for \$3.00. We do ask that you do not bring in a fast food lunch for your child if you plan to visit. As always, please stop in the school office and sign in before going anywhere in the building.

***Free/Reduced Lunch Information:** Free/Reduced Lunch applications must be completed online. You can complete the application by visiting <https://tuscarawasvalley.payschools.com>. You will find complete directions on the Tusky Valley webpage, www.tvtrojans.org. You may have already received notification of your direct certification status. All students who live in the house are eligible for free lunch by direct certification. Please update the form with student information, sign it, and return it to a school office asap.

***You must complete a new application every year if you are not prequalified by direct certification. Last year's qualification does not carry over for this entire school year. It is only good for 30 days. If you do not reapply this year, your child will go back to full pay on Friday, Sept. 28.**

***Menu** - The menu is posted on the TV web site under the Parents & Community tab as well as on each school building page. The menu is sent home monthly with all K-4 students. Extra menus are available in the TVPS and TVIS offices. A number of ala carte items are available in the MS and HS cafeterias.

***Lunch Accounts** - All students in the TV Local School District have a lunch account. All purchases in the TV cafeterias are done through the point of sale system. You can put money on the account by either sending money to school with your child or on-line. Students are not allowed to charge milk or extras. Grades 5 - 12 are only allowed to charge one day of lunch at any time. Please try to keep your child's account up to date.

***Contact Information** - If you have questions or concerns about your child's lunch account or your free/reduced application, please contact either Mrs. Julie Hoagland at 330-859-8822 or Mrs. Diana Flickinger at 330-859-8877. Please leave a message with a phone number if you don't get us, and we will be sure to get back to you. Thanks for your support of the TV cafeterias.
